# FIRST WORDS Project Home Activity

## Week 6

### *Infant Toddler Playgroups*

Books that have personal meaning are useful for learning new words and object-picture relationships. Please make a book for your child using the paper squares that were provided in the envelope. Feel free to add more squares if you would like.

#### **Here are some things to keep in mind when making the book:**

- Use pictures that are meaningful and familiar to your child.
- You may want to use photographs, stickers, pictures from magazines or store circulars, or line drawings.
- Add print to each page by labeling the pictures and/or describing what is happening in the pictures.

#### **Topics for the book might include:**

Family	Birthday party	Textures	Favorite routine
Friends	Recent vacation	Favorite things	Favorite song

Share an example of how you and your child played this week:
